

PLEASE NOTE: for prices regarding any of these services, please contact us directly for a quote for your event.

**Parking** Secured underground parking is available for 100 cars with direct elevator access to the ballroom. You may buy-out the parkade for your event or have your guests pay a fee per use. In either case a parking attendant is on hand to direct traffic and will patrol the lot for increased security.

The parkade is located directly behind the building between 1st and 2nd ave (via the lane).

**Music** State of the art DJ equipment and lighting is available as a package which will include the service of a professional DJ with more than 10 years experience. Our DJ will customize the music as you wish including incorporating ethnic music if requested.

Outside DJ's and bands are permitted in our venue however, they will be unable to access our DJ booth or sound system.

**Gelato Bar** From a selection of 54 gourmet flavours, you will have the choice of choosing nine to be served at your event. The gelato and sorbetto is served in dishes upon the flavour choice of your guests.

**Bride's Room / Private Room** This option is available should you require a room for quiet time, changing, storage or privacy during your event. You will be provided a key for your security and convenience. This room includes a vanity with sink and a leather love seat.

**Public Address System** Our public address system allows the sound to be transmitted to the main facility area, patio, foyer and restrooms. We have various microphones from which to choose, please call our office for more information.

**Coat Check** This designated area is located in the foyer area of Villa Amato Ballroom. It has a full organizational system in place, complete with hangers. The Caterer that you chose will be responsible for staffing this area and supplying coat check tickets.
